Dear Mr. Ott:

The Department is in receipt of your correspondence dated July 14, 2010. The correspondence is intended to be a response to the Department's June 30, 2010 letter which offered review comments on Stillwater Sewer Corporation's Sewer System Evaluation Survey and Preliminary Corrective Action (Rehabilitation) Plan – Phase I May 2010" ("Plan") that was submitted pursuant to Paragraph 2 of the Department's April 23, 2010 Order. The Department hereby approves Stillwater Sewer Corporation's ("Stillwater Sewer") Plan and pursuant to Paragraph 3 of the Order, it is now Stillwater Sewer's obligation to fully implement said Plan. The Department will evaluate the effectiveness of the Plan's implementation through various indicators, including but not limited to the following:

- Departmental inspections of the wastewater treatment plant;
- The occurrence of unpermitted overflows and discharges from Stillwater Sewer's sewage collection system;
- Stillwater Sewer's adherence to the schedule provided in the July 14, 2010 correspondence;
- Review of Stillwater Sewer's quarterly progress reports; and
- Stillwater Sewer's success in locating and removing excessive Infiltration & Inflow (I&I) in its system.

In the way of a reminder, Stillwater Sewer's next quarterly report is due on or before October 15, 2010.

Sincerely,
